Experience

UX-UI Designer + Domain Lead

1Rivet, Valsad

June 2024 - Present

- Led UX/UI delivery across projects.
- Conducted interviews and supported hiring.
- Managed team, timelines, and design reviews.
- Coordinated with upper management and domain teams.
- Balanced leadership, organization, and hands-on design work.

UX-UI Designer

1Rivet, Valsad

June 2021 – May 2024

- Designed responsive web and mobile interfaces for enterprise and SaaS products.
- Created wireframes, user flows, high-fidelity mockups, and prototypes in Figma.
- Collaborated with product, business, and development teams.
- Contributed to design systems, usability improvements, and iterative design.

UX Intern

1Rivet, Valsad

February 2021 – May 2021

- Learned UX principles, business concepts, and product thinking.
- Assisted in wireframing and basic user flow planning.
- Gained exposure to the UX design process and problem-solving approach.
